Ra - Rectifier

Standard Tuning - No capo

Very oversimplified, but
perfect for beginners like
myself. Enjoy

Em | **G** | **D** x 200 (Repeats through whole song)

Em **G** **D**
i m still afraid of ghosts that can see me
they know my thoughts, they read my mind
beside myself i judge my condition
i close my eyes but can t go blind
i m feeling all the heat, all the chaos
it s gotten underneath my skin
so far to go to reach absolution
my sanity, my soul runs thin

Em **G**
why don t you care?

Em **G** **D**
don t, don t you dare.

chorus

Em **G** **D**
rectifier, how s the world supposed to be?

Em **G** **D**
recitifer, take my hand and rescue me/ take my hand and set me free

Em **G** **D**
i fell in love i made that decision

on broken hearts i cut myself

despite the pain i maintain my position

and put good will up on the shelf

Em **G** **D**
but now i m stuck a chain with no linkage

a vagrant lover prisoner

suspicious goals distort good intentions

agressive action batterer
