Elevate by Rachael Lampa

Tabbed by GraceGirl

INTRO:

D, D, Bm, G

D, A, Bm, G

VERSE:

D **A**
I m always hearing people say

Bm
Never set your sights too high

G **D**
We d have wings if we were meant to fly

A
But I never felt that way

Bm
Cause in my dreams I ve seen the view,

G **Em**
And life above the clouds is beautiful

PRE-CHORUS:

D **G** **Em**
Don t let the circumstances keep you down

D **G**
You might just miss your chance to leave the ground

CHORUS:

Bm **G**
We gotta elevate, take this thing to a higher place

D
Don t you know you can rise above it all?

A
Together we won t fall

Bm **G**
No matter what it takes, let the sun shine on your face

D
Take each day as another chance to try

A
Another chance to change our lives

D
We ve got to elevate, elevate

A **Bm** **G**

Elevate, elevate, elevate, elevate

VERSE:

D **A**
I m just one face in the crowd
Bm **G** **D**
Trying to go another way even if it s just one step today
A
So don t let anybody doubt
Bm
There s endless possibilities
G **Em**
If you re not afraid to dream out loud

PRE-CHORUS x1

CHORUS:

Bm **G**
We gotta elevate, take this thing to a higher place
D
Don t you know you can rise above it all?
A
Together we won t fall
Bm **G**
No matter what it takes, let the sun shine on your face
D
Take each day as another chance to try
A
Another chance to change our lives
Bm
We ve got to elevate

BRIDGE:

A
When the camera pulls out wide
D
On this mountain we will climb
G **Bm**
And you can see a thousand faces at your side
A
Though the journey is our own
D
You won t make it alone
A
So don t stop climbing till you re home

LAST CHORUS:

D **A**

We gotta elevate, take this thing to a higher place

Bm

G

We can rise above it all, together we won't fall

Bm

G

We gotta elevate, take this thing to a higher place

D

Don't you know you can rise above it all?

A

Together we won't fall

Bm

G

No matter what it takes, let the sun shine on your face

D

Take each day as another chance to try

A

Another chance to change our lives

Bm

We've got to elevate, elevate

G

D

A

Elevate, elevate, elevate, elevate, elevate, elevate
