My One And Only - Rachael Lampa

Hey guys! I love this song so much that when I didn't find it on here, I decided to learn it by ear and put it up! Thanks for checking out this tab! :) It means so much ;D

Standard Tuning:

Intro: **Am F C G**

Am **F**
I'm flying high in your arms tonight
C **G**
Passing the satellites, the earth is fading fast
Am **F**
Don't care where we go, let's make it last
C **G**
Facing up to the speed of light, with time at our backs

Am **F**
I'm right here next to you and feeling so fearless now
C **G**
We can do anything, nothing can hold us down
Am **F** **C** **G**
You rescued me from the weight of the world and I want you to know

Am
You are my one and only
F **C**
You're not like the rest, I know that you've got my back
G
You are, you are

Am
You are my one and only
F **C**
Right from the start, you saved my damaged heart
G **Am** **F** **C** **G**
You are, you are, you're the one and only, only, only

Am **F**
Every time that I see you smile
C **G**
It's like all of the universe is dancing in your eyes
Am **F**
A new star is born so let's make a wish
C **G**

Let s put on a show tonight and light up the sky

Am **F**
I m right here next to you and feeling so fearless now
C **G**
We can do anything, nothing can hold us down
