

Only Fault

Rachael Yamagata

Hidden track on Horizon from Elephants/Teeth Sinking into Heart

Capo on 2nd. pluck the strings however but start with the b string and save the high e
a nice emphasis.

Am

If i could have one wish

B7

if i could have some say

E

i d keep you far from home

Am

i d roll back both my sleeves

B7

and dig under your skin

E

i d fix your shattered bones

Dm G

Hold on

C Am

This may hurt you

E

When I tell you of the truth

Am

we don t get two lives to live

Dm G

It s true

C Am

the only fault I ve found in you

E

is not being free to take

Am

what i would give

Am

If I could bend your pain

B7

into something good

E

Make you a prouder man

Am

If I could rough you up and

B7

save you with good luck

E

And show you hope again

so on and so forth
