CAPO 3 to match album

This is a piano song, so you really need to listen to get the chord timing just right.

It is near impossible to find any of her sheet music, so this is one I figured out on my own.

I think about how it might have been

G# C# G# C#

We d spend our days travelin

Bbm G#

It s not that I don t understand you

Bbm G#

It s not that I don t want to be with you

Bbm

But you only wanted me

C#

The way you wanted me

G# C# G# C#

So, I will head out alone and hope for the best

G#

And we can hang our heads down

C# **G#** **C#**

As we skip the goodbyes

G# **C#**

And you can tell the world what you want them to hear

Ebm **Bbm**

I've got nothing left to lose, my dear

Cm **Fd/Eb**

So, I'm up for the little white lies

C# **Eb2** **G#**

But you and I know the reason why

C# **G#**

I'm gone, and you're still there

C# **G#**

I'm gone, and you're still there

C# **G#**

I'm gone, and you're still there

G# **C#** **G#** **C#**

I'll buy a magazine searching for your face

G# **C#** **G#** **C#**

From coast to coast or wherever I find my place

Bbm **G#**

I'll track you on the radio, and

Bbm **Ebm**

I'll sign your list in a different name

Bbm

But as close as I get to you

C#

It's not the same

G# **C#** **G#** **C#**

So, I will head out alone and hope for the best

G# **C#**

We can pat ourselves on the back

G# C#

And say that we tried

G# C#

And if one of us makes it big

Ebm Bbm

We can spill our regrets

Cm Fd/Eb

And talk about how the love never dies

C# Eb2 G#

But you and I know the reason why

C# G#

I m gone, and you re still there

C# G#

I m gone, and you re still there

C# G#

I m gone, and you re still there

Cm Fd/Eb

So, steal the show, and do your best

Bbm

To cover the tracks that I have left

I wish you well and hope you find

Whatever you re looking for

The way I might ve changed my mind

Bbm Cm C# Eb7

But you only showed me the door

And if one of us makes it big

Ebm Bbm

We can spill our regrets
