This is a piano song, so you really need to listen to get the chord timing just right.

It is near impossible to find any of her sheet music, so this is one I figured out on my own.

I think about how it might have been

F# B F# B

We d spend our days travelin

G#m F#

It s not that I don t understand you

G#m F#

It s not that I don t want to be with you

G#m

But you only wanted me

B

The way you wanted me

F# B F# B

So, I will head out alone and hope for the best

F#

And we can hang our heads down

B F# B

As we skip the goodbyes

F# B

And you can tell the world what you want them to hear

C#m G#m

I've got nothing left to lose, my dear

Bbm Fd/C#

So, I'm up for the little white lies

B C#2 F#

But you and I know the reason why

B F#

I'm gone, and you're still there

B F#

I'm gone, and you're still there

B F#

I'm gone, and you're still there

F# B F# B

I'll buy a magazine searching for your face

F# B F# B

From coast to coast or wherever I find my place

G#m F#

I'll track you on the radio, and

G#m C#m

I'll sign your list in a different name

G#m

But as close as I get to you

B

It's not the same

F# B F# B

So, I will head out alone and hope for the best

F# B

We can pat ourselves on the back

F# B

And say that we tried

F# B

And if one of us makes it big

C#m G#m

We can spill our regrets

Bbm Fd/C#

And talk about how the love never dies

B C#2 F#

But you and I know the reason why

B F#

I m gone, and you re still there

B F#

I m gone, and you re still there

B F#

I m gone, and you re still there

Bbm Fd/C#

So, steal the show, and do your best

G#m

To cover the tracks that I have left

C#7

I wish you well and hope you find

G#m

Whatever you re looking for

C#7

The way I might ve changed my mind

G#m Bbm B C#7

But you only showed me the door

F# B F# B

So, I will head out alone and hope for the best

F# B

We can pat ourselves on the back

F# B

And say that we tried

F# B

And if one of us makes it big

C#m G#m

We can spill our regrets

Bbm Fd/C#

And talk about how the love never dies

B C#2

But you and I

B Fd/C#

You and I-----
