

**The Other Side**  
**Rachael Yamagata**

Tabbed by Joe (tabs at stype dot org)

Capo 1st fret

**A** **G** **Bm**  
I m on the other side of where our lives used to be

**A** **G** **Bm**  
I m on the other side of where our lives used to be

**A** **Bm** **D/F#**  
Every push of my feet in the sand reminds me

**F#m** **E** **A**  
Together is not where we stand Anymore

**Bm** **F#m**  
And every kiss to meet my hand Defines me

**D**  
And opens a new door

**F#m** **B**  
And all the little lies Well they call and they wait

**F#m** **B**  
And they comfort And save me from nothing

**A** **G** **Bm**  
I m on the other side of where our lives used to be

**A** **G** **Bm**  
And i can feel alright About whatever s good for me

**D** **E** **Bm**  
Baby i wanna go back You were supposed to come with me

**E**  
All i ever wanted was to be with you

**Bm**  
Yeah supposed to come with me

**E**  
Anything i started now i would never do

**A** **Bm** **D/F#**  
You re just a postcard out or so they say I m holding

**F#m** **E** **A**  
Records for more Sent out in one day

**Bm**  
And if there s a road I meant to take

**F#m** **D**  
I m going back on the ones who say

**F#m** **B**  
All the better times When you were mine

**F#m**

**B**

And the cats are fine but they miss you
