

In Your Arms
Rachel Holder

Capo 5

G **C** **Em** **C** **G**
When the waves dash against the boulders and my ships sail on an angry sea.

G **C** **Em** **C**
I feel your hand rest gently on my shoulder you guide me home and seal the
G
storm in me.

Chorus

C **G** **Em**
In your arms i m safe inside a harbor. In your arms my heart
C **G** **C** **G** **Em**
can rest at ease. Walk with me beside the quiet waters, in your arms is
C **G**
where I long to be.

G **C** **Em**
Even if the rainbows colors faded and the sun stopped
C **G** **G** **C** **Em**
shining from above. No power on earth nor anything created could ever
C **G**
seperate me from your love.

Repeat chorus 2x

End

Em **C** **G**
In your arms is where I long to be.
