

Work Of Art

Rachel Platten

Hi :) this is my first tab submission, and I hope you enjoy playing as much as I do!

Capo on the 5th Fret

G Em C D
My heart beats like it s on fire
 G Em C D
and everything is alright, as long as I am inspired
 G Em
I stitched together my life from hand me downs and
C D G
good advice that finally fit me

(chorus)

G Em
I put my heart where my head should be
 C D
and light up the rest of me
 G Em C
Cause my dreams, they won t fall apart through the stops & starts when
 D G
you re life is a work of art

G Em C D

G Em C D
I found this door to my inside, I flung it open
G Em C D
so dreams could rush in like the high tide
 G Em
I learned I m not an island, or a fairytale,
 C D
cause in the end I m not pretending

(chorus)

G Em
I put my heart where my head should be
 C D
and light up the rest of me
 G Em C
Cause my dreams, they won t fall apart through the stops & starts when
 D G
you re life is a work of art (x 2)

G **Em** **C**
My heart keeps tumbling my head keeps fumbling my life s begun and then
D
I jump in the ocean

G **Em**
C D
My heart keeps tumbling but the words have started coming and I think I am
finally ready:

(a little lighter)

G **Em**
To put my heart where my head should be
C D
and light up the rest of me
G Em C
Cause my dreams, they won t fall apart through the stops & starts when
D G
you re life is a work of art

Hope you enjoy!

With love,

Camillita
