

You Belong

Rachel Platten

[Verse 1]

C **B *bass** **Bb** **A**
I m patiently waiting for you to arrive
F **E *bass** **Dm** **G**
I wanna meet you so much I could cry
C **B *bass** **Bb** **A**
I wonder who s hands and whose eyes you will have
F **E *bass** **Dm** **G**
I wonder if you re gonna smile like your dad
Am **G** **F** **Em**
And nothing you ever do will be so wrong
Am **G** **C**
You belong, you belong

[Verse 2]

C **B *bass** **Bb** **A**
And I wanna help you be better than me
F **E *bass** **Am** **G**
There won t be a star in the sky you can t reach
C **B *bass** **Bb** **A**
I ll wipe off your tears, but I ll let them fall first
F **E *bass** **Dm** **G**
And I will be brave when you fall and get hurt
Am **G** **F** **E *bass**
You can be you, you don t have to be strong
Am G **Am**
Cause you belong, you belong
Am G
You belong, you know

[Chorus]

Am **G** **F**
I don t know your name
Am **G**
But I can t wait to say it
Am **G** **F**
And I don t know your face
Am **G** **C**
But I bet it will blow me away

[Verse 3]

C **B *bass** **Bb** **A**
I ll show you what love is and all that you re worth
F **E *bass** **Dm** **G**
You show me how to put somebody else first
C **B *bass** **Bb** **A**
I hope you like music as much as your mom

F **E *bass** **Dm** **G**
That you ll understand that I m there when I m gone
Am **G** **F** **E *bass**
This is probably too much for me to say in a song
Am **G** **Am**
But you belong, you belong, yeah
Am **G**
You belong, you know

[Chorus]

Am **G** **F**
I don t know your name
Am **G**
But I can t wait to say it
Am **G** **F**
And I don t know your face
Am **G** **C**
But I know it will blow me away

[Outro]

C **B *bass** **Bb** **A**
I m feeling and watching you grow everyday
F **E *bass** **Dm** **G**
It s so amazing, so why am I afraid?
C **B *bass** **Bb** **A**
We packed up to move in, we re painting your room
F **E** **Dm** **G**
I can t believe I ll be holding you soon
Am **G** **F** **Em**
Safe in my arms when youâ€™re finally calm
Am **G** **Am**
You belong, you belong
Am **G** **C**
You belong, you belong
That was the cutest thing
