you ll let go this cold cold hand in time
C#add9   **Bbm7**   **Fm/B**   **F#/B**
This chain around your neck must carry my stone

So I can feel your heart beat against my own

      A1   **F7/B**   **Bbm7/E**   **Bbm7/F**   **Bbm7/F#**
Bbm7/F
This veil will hide my voice from you and I m not sure how I ll talk to you
A1   **Bbm7**

I ll be speaking my truths

Be near me always I don t know where I ll go
            C#   **G#**   **C#**   **C#**/**F#**
but I will tell you my stories
C#   **G#**   **C#**   **Bbm7/F**
On this ocean I m rolling a wave away from you
              C#   **G#**   **C#**
but we will roll into each other some day
C#/F   **C#/G**   **C#**
For a ripple on the water I ll pray

[Instrumental] (x2)

[Verse]
C#add9   **Bbm7**   **Fm/B**   **F#/B**
You will lose my face even closing your eyes

I have gone from skin to earth to tree against the sky
C#add9   **Bbm7**   **Fm/B**   **F#/B**
The storms may harm our blossom we call for the sun

```
      C#add9                   Bbm7                   C#              G#7
and though the rain still pours we know she ll come in good time

[Chorus]
   A1                      F7/B          Bbm7/E    Bbm7/F  Bbm7/F#
Bbm7/F
Oh silver lining you are hard to see when her face it fades away from me
      A1               Bbm7                              C#
but I know while she lies sleeping we are dreaming the same dreams

[Verse]
        C#        G#        C#                   Bbm7/F
For she is near me always telling me where to go
    C#           G#        C#    C#/F#
she listens to my stories
    C#           G#          C#                   Bbm7/F
She has this funny notion that tears the tears from me
         C#              G#          C#
but I will dry her pretty eyes one day
    Bbm7/F          Bbm7/G          Bbm7                 Bbm7/B

For a ripple on the water I ll pray
    Bbm7/F           Bbm7/G          F7              Bbm7
And I know that I will find her by the tremors left behind her
           Bbm7/F         G#          C#add9
for with each ripple on the water she prays

[Outro]
C#add9, Bbm7, Fm/B, F#/B
```
