

**Names**

**Radical Face**

**B**

As the warmth of the sun leaves my back

**E F# B**

And these bruise-coloured skies turn to black

**E F#**

None of these faces look the same

**G# F# E**

But not a one knows my name

**B F# B**

Oh, I am a long way from home

**B**

This road is now my only friend

**E F# B**

It welcomes me through straights and through bends

**E F#**

But no matter how long I stay

**G# F# E**

It ll never know my name

**B F# B**

Oh, I am a long way from home

**B F# B**

Yeah I am a long way from home
