Radical Face

This is a fairly new song I found on YouTube, its from his new album (The branches - The Family Tree) I thought because I enjoy the song so much I should upload a tab for it.

This tab will just contain the chords for the song, the finger picking patterns are quite simple to figure out, so I will leave that for you to interpret in your own way.

Tuning - EADGBE

Capo 3rd Fret

Chords (relevant to capo)

Am - X02210

C - X32010

Em - 022000

Fmaj7 - X33210

G - 320033

Dm - XX0231

E7 - 020100

Intro Am (with pull offs and hammer ons on the D string)

C **Am**
I wish I had more nice things to say,
Em **Fmaj7** **G**
but I was raised not to lie.
C **Am**
I m either honest or I m an optimist,
Em **Fmaj7**
but never both at the same time.
G **Am**
And everyone knows the deal,
Fmaj7 **C**
gotta take what you can.
Em **Am**
cause anything I don t steal,
Fmaj7 **G**
just winds up in someone else s hands.

C **Am**
There s only so much good a man can take,
Em **Fmaj7** **G**
when he ain t so good himself.
C **Am**
You remind me of what I could have been,
Em **Fmaj7**
but that reminder ain t much help.
Dm **Am** **C**

So it s better if you were on your way
if you were somewhere far from me.
So you can dream I turned out well,
and I, I can just go to sleep.

The woo s
Em, Fmaj7, G x2

I wish I had more nice things to say,
but I was raised not to lie.

I m either honest or I m an optimist,
but never both at the same time.
