

Sleepwalking
Radical Face

There isn't guitar in this song up until the last part, but it's a great song, so I figured I'd put up chords for the whole thing. Enjoy the tab! Lyrics courtesy of Lyrics Mania (www.lyricsmania.com).

First Verse:

G **D**
I fell asleep in the chair by the fireplace

C
And I woke up in the kitchen sink

G **D**
With an umbrella full of holes overtop my head and

G **Em**
I fell asleep on the table with your picture in hand

C
And I woke up in the cupboard

G **D**
With some scrapes on my arms and a mouthful of hell

Second Verse:

Em
Chains are rattling in the attic again

C **G**
And the birds are building nests in the windowsill

Dust has settled over everything

D
And the ceiling fan still cuts a lazy circle

Em
I got a picture on the mantle piece

C **G**
Of the way that I thought that we'd end up

But this shares no resemblance to that

D **G**
Yeah, that shares no resemblance to that at all

Third Verse:

G **D**
I tore the dreams from my head and tossed them in the flames

C
And the smoke smelled like my past

G **D**
And it stung my eyes, but I was too stubborn to blink and

G **Em**
I slept inside the piano till the rain was gone

C
And I woke up when I saw the sun

G
And wiped the sleep from my eyes

D
Yeah, I knew my time had come

Interlude/Accordion Solo:

Em C G D X2

Last Bit:

C **D** **G** **Em**
We re all still a part of everything that we were

C **D** **G**
And we ll all float along with everything

Em **C** **D** **G**
And in turn, we ll all fall apart with everything

Em **C** **D** **Em**
But we ll learn just what things are like outside our heads

C D **Em G**

And I hear them singing

C D Em G
And I hear my name

C D G D7/F# Em
And I feel you scrub my skin

C D G
And I was happy to fade

Outro: **G D C G D**
G Em C G D

And then end on a G chord.

That s it, hope you enjoyed it!
