

Valentine
Radical Something

Intro: **Em C G D**

Em

You re the best, you re amazing

C

Darling everyone knows

G

But there s a time for everything,

D

And for now I gotta be alone.

Em

I wish the answer was in front of me

C

But girl I just don t know,

G

D

How I let your heart fall and shatter on the floor.

Em

Flowers die and we all move on,

C

The last gift that you ll get is this song.

G

No chocolate hearts and no candy kisses,

D

Don t come looking when I m missin

C

Em

G

D

Girl you know it s hurting me as much as it hurts you

So I said to her:

Em

C

G

Valentine we ain t doin what we used to used to do,

D

Love don t feel the same with you.

Em

C

G

Valentine girl you might just have to cut me cut me loose,

D

But here s a toast to me and you.

Em

And X marks the spot

Where I stand with my hands in my pockets

C

mad at the love cuz we lost it

G

the flame and the fire, well you say you hate liars

D

so why crucify when I say that I m tired

Em

such a tough girl and your lovely too

C

you care about your school, but what sucks is true

G

you gotta cut me loose don t touch me boo

D

you wanna reinstate it all but I must refuse

Em

Flowers die and we all move on,

C

The last gift that you ll get is this song.

G

No chocolate hearts and no candy kisses,

D

Don t come looking when I m missin

C

Em

G

D

Girl you know it s hurting me as much as it hurts you

So I said to her:

Em

C

G

Valentine we ain t doin what we used to used to do,

D

Love don t feel the same with you.

Em

C

G

Valentine girl you might just have to cut me cut me loose,

D

But here s a toast to me and you.

Em

C

G

Love oh love it s a crazy thing

D

It can tear you down and it can make you weak

Em

C

G

Love oh love don t you get mad at me

D

Because we had a beautiful thing.

So I said to her:

Em

C

G

Valentine we ain t doin what we used to used to do,

D

Love don t feel the same with you.

Em

C

G

Valentine girl you might just have to cut me cut me loose,

D

But here s a toast to me and you.
