

**Been Thinking About You**  
**Radiohead**

**G** **C/G** **G** **C/G** **G**  
Been thinkin bout you, your records up here  
**G** **C/G** **G** **C/G** **F#/D**  
Your eyes on my wall, your teeth are over there  
**Em** **F#/D** **G**  
But I m still no-one, and you re a star  
**C/G** **G**  
What do you care

**G** **C/G** **G** **C/G** **G**  
Been thinkin bout you, and there s no rest  
**G** **C/G** **G** **C/G** **F#/D**  
Should I still love you, still see you in bed  
**Em** **F#/D** **G**  
But I m playin with myself, what do you care  
**C/G** **G**  
When the other men are far far better

**C** **B/C** **C** **B/C** **C**  
All the things you got, all the things you need  
**C** **B/C** **C** **B/C** **B Csus4**  
I bought you cigarettes, I ll bribe the company  
**C** **B/C** **C**  
To come and see you, honey

**G** **C/G** **G** **C/G** **G**  
Been thinkin bout you, so how can you sleep  
**G** **C/G** **G** **C/G** **F#/D**  
These people aren t your friends, they re paid to kiss your feet  
**Em** **F#/D** **G**  
But they don t know what I know, why should you care  
**C/G** **G**  
When I m not there

**G** **C/G** **G** **C/G** **G**  
Been thinkin bout you, and there s no rest  
**G** **C/G** **G** **C/G** **F#/D**  
Should I still love you, still see you in bed  
**Em** **F#/D** **G**  
But I m playin with myself, what do you care  
**C/G** **G**  
When I m not there

**C**                    **B/C**                    **C**                    **B/C**                    **C**

All the things you got, you ll never need

**C**                    **B/C**                    **C**                    **B/C**                    **B Csus4**

All the things you got, I m planning to bleed to,

**G**

Please you
