

Been Thinking About You
Radiohead

G **C/G** **G** **C/G** **G**
Been thinkin' bout you, your records up here
G **C/G** **G** **C/G** **F#/D**
Your eyes on my wall, your teeth are over there
 Em **F#/D** **G**
But I'm still no-one, and you're a star
 C/G **G**
What do you care

G **C/G** **G** **C/G** **G**
Been thinkin' bout you, and there's no rest
G **C/G** **G** **C/G** **F#/D**
Should I still love you, still see you in bed
 Em **F#/D** **G**
But I'm playin' with myself, what do you care
 C/G **G**
When the other men are far far better

C **B/C** **C** **B/C** **C**
All the things you got, all the things you need
C **B/C** **C** **B/C** **B Csus4**
I bought you cigarettes, I'll bribe the company
C **B/C** **C**
To come and see you, honey

G **C/G** **G** **C/G** **G**
Been thinkin' bout you, so how can you sleep
G **C/G** **G** **C/G** **F#/D**
These people aren't your friends, they're paid to kiss your feet
 Em **F#/D** **G**
But they don't know what I know, why should you care
 C/G **G**
When I'm not there

G **C/G** **G** **C/G** **G**
Been thinkin' bout you, and there's no rest
G **C/G** **G** **C/G** **F#/D**
Should I still love you, still see you in bed
 Em **F#/D** **G**
But I'm playin' with myself, what do you care
 C/G **G**
When I'm not there

C **B/C** **C** **B/C** **C**

All the things you got, you ll never need

C **B/C** **C** **B/C** **B Csus4**

All the things you got, I m planning to bleed to,

G

Please you
