Blame it on the satellite

That beams me home

The troubled words of a troubled mind  
I try to understand what is eating you  
I try to stay awake but its 58 hrs  
Since that I last slept with you  
What are we coming to?  
I just don t know anymore

REFRÃO INTRO (X3)

I get on the train and I just stand about  
Now that I don t think of you  
I keep falling over I keep passing out  
When I see a face like you  
What am I coming to?  
I m gonna melt down
