B
Why don t you quiet down?
Bm
Why don t you quiet down?

You don t live in a business world
You never go out and you never stay
We ll have goals in a liberal world
Living in times when I could stand it, babe
It s all over baby s crying, it s all over baby
I can see out of here

All of the planet s dead,
All over the planet, so let me out of here
All over...

We are the dollars and cents
And the pounds and pence
And the mark and the yen, and yeah
We re going to crack your little souls
We re going to crack your little souls

We are the dollars and cents
And the pounds and pence
And the pounds and pence, and yeah
We re going to crack your little souls
Crack your little souls
