Radiohead

[Intro:] **Bb/F Gm Bb/F Gm Bb/F**

                                    Gm
I know what you re thinking
                                      Bb/F
But I m not your property
                         Gm
No matter what you say
                        Bb/F
No matter what you say

          Gm Gm/F D#
Move along,
         Bb/D   **Bb/F**
There s nothing left to see
           Gm Gm/F D#
Just a body,
Bb/D   **Bb/F**
Nothing left to see

A couple more for breakfast
A little more for tea
Just to take the edge off
Just to take the edge off

Move along,
         Bb/D   **Bb/F**
There s nothing left to see
          Gm Gm/F D#
Just a body,
Bb/D   **Bb/F**
Pouring down the street
