

**I am a wicked child**  
**Radiohead**

*Intro:* **G F C G**

**Bb C G**

**G F C G**  
Mother mary come to me  
**Bb C G**  
Cause I am a wicked child  
**F C G**  
I have sinned and I am so confused  
**Bb C G**  
And I am a wicked child  
**Bb C G**  
I am a wicked child

I am the devils son  
And I wish I could be good for you  
I walk a crooked mile  
But I wish I could be good  
I wish I could be good

**G F C G**  
If I could have kept the straight and narrow  
**G F C G**  
If I could have kept the straight and narrow  
**Bb C G**  
And not have broke your heart  
**Bb C G**  
Not have broke your heart

Now I wake up in the night  
Lying on my bed  
It s tugging at my arms and legs  
Like I was a marionette

Send baby Jesus  
Surely it is time  
Send baby Jesus  
Let him radiate his light
