

Inside My Head
Radiohead

[Intro:] **Em C Am C**

(**Em C Am C**)

What do you want from me? Now you got me
Now my fingers bleed, now they re staring at me
I m a coward now, I hold my peace
Now you tie me up to your feather bed
And I twist and turn in a chinese burn
You won t let go, you won t let go

Em Am Em Am

You re inside my head

Em Am Em Am

Inside my head

What do you want from me? Now you got me
Now my energy, you suck from me
And I m holding on for dear life
Quit smothering me, quit laughing at me
I ve got a disease, an English disease
It won t let go, it won t let go

What did you put in that syringe?
Whatever you really said to him?
Is sitting there, inside of me
And you bother me, you possess me
You re there again, a head of me
And I won t let go, I won t let go
