Intro:

there s a piano bit i won t bother to tab...

F A# Dm C  
C A# -----> 4 times

Verse:

F A# Dm C C A#  
I sit away

F A# Dm C C A#  
I sit down away

Bridge:

A# A#/A F ---> 4 times

Verse:

F A# Dm C C A# and so on...  
We got heads on sticks  
And you got them toothpicks  
We got heads on sticks  
But you go in circles

Chorus:

A# A#/A F  
Stand and shout  
A# A#/A F  
Have no problems  
A# A#/A F  
Stand and shout  
A# A#/A F  
Have no problems  
A# A#/A F  
I am standing in the shadow  
A# A#/A F  
By the end of my bed

during the chorus and the bridge try to play the last 3 strings along with the bass of the note so to get the effect of the organ that is playing in the song.

Standard tuning

This is played on some sort of synthesizer on the album but I ve arranged it for guitar here.

Here is the progression played throughout the verses

```

-----17--17--17-----15-----18-----
-----15--15--18-----18-----17-----13-----15-----
-15--15-----15-----12-----
-----15-----14-----17-----15-----14-----
-----17-----
-----

```

Then the bass riff begins overtop

```

-----
-----
-----
-----
-----
-1-1---3-3---6-6---5-5-----5-5---3-3-----
-----

```

The bass riff at the end of the first verse goes like this

```

-----
-----
-----
-5-5--3-3-----5-5--3-3-----5-5-----
-----1-1-----1-1-----

```
