

Dont Go
Rae Morris

Verso 1:

Dm **C**
I keep on hoping that we ll find
Am
Another reason to compromise
Dm **Em**
But this time we ll break down inside

Dm **C**
I keep on staring to the past
Am
And all those feelings we compromised,
Dm **C**
And this time I ll break down inside.

Refrão:

F
Don t go,
Em
Don t feel like you have to,
Am
Only if you want to,
C **Em**
Fill my world with hope again, hope again,
F **Em**
Sometimes people make the wrong moves,
Am
Walking in the wrong shoes,
C **Em**
Make me feel like hope again, hope again.

Verso 2:

Dm **C**
I ll keep on changing mile by mile,
Am
And all the answers are hard to find,
Dm **Em**
And this time we ll go hand from hand.

Dm **C**
I ll shed some sorrow, shed some sin.
Am
I hate this state we re in,
Dm **C**
And this time I ll break down inside.
