

Black Beatles (Feat. Gucci Mane)
Rae Sremmurd

Em G C C

Black beatles in the city be back immediately
To confiscate the moneys
(ear drummers)
Rae sremm, guwop, mike will!
I sent flowers
But you said you didn t receive em
But you said you didn t need them

That girl is a real crowd pleaser
Small world, all her friends know of me
Young bull livin like an old geezer
Quick release the cash, watch it fall slowly
Frat girls still tryna get even
Haters mad for whatever reason
Smoke in the air, binge drinkin
They lose it when the dj drops the needle

Gettin so gone I m not blinkin
What in the world was I thinkin ?
New day, new money to be made
There is nothing to explain
I m a fuckin black beetle
Cream seats in the regal
Rockin john lennon lenses
Like to see em spread eagle
Took a bitch to the club
And let her party on the table
Screamin everybody s famous
Like clockwork, I blow it all
And get some more
Get you somebody that can do both
Black beatles got the babes belly rolling
She think she love me
I think she trollin

That girl is a real crowd pleaser
Small world, all her friends know of me
Young bull livin like an old geezer
Quick release the cash, watch it fall slowly
Frat girls still tryna get even
Haters mad for whatever reason
Smoke in the air, binge drinkin
They lose it when the dj drops the needle

Came in with two girls

Look like strippers in their real clothes
A broke hoe can only point me to a rich hoe
A yellow bitch with green hair, a real weirdo
Black man, yellow lamb , real life goals
They seen that guwop
And them just came in through the side door
There s so much money
On the floor we buyin school clothes
Why you bring the money machine
To the club for?
Pint of lean, pound of weed, and a kilo
I eurostep past a hater like I m rondo
I upgrade your baby mama to a condo
My chapos servin yayo to the gringos
Black beatle, club close when I say so

That girl is a real crowd pleaser
Small world, all her friends know of me
Young bull livin like an old geezer
Quick release the cash, watch it fall slowly
Frat girls still tryna get even
Haters mad for whatever reason
Smoke in the air, binge drinkin
They lose it when the dj drops the needle

She s a good teaser, and we blowin reefer
Your body like a work of art, baby
Don t fuck with me
I ll break your heart, baby
D&g on me I got a lot of flavor
15 Hundred on my feet
I m tryna kill these haters
I had haters when I was broke
I m rich, I still got haters
I had hoes when I was broke
I m rich, I m still a player
I wear leather gucci jackets
Like its still the 80 s
I ve been blowin og kush
I feel a lil sedated
I can t worry about
A broke nigga or a hater
Black beatle, bitch
Me and paul mccartney related

That girl is a real crowd pleaser
Small world, all her friends know of me
Young bull livin like an old geezer
Quick release the cash, watch it fall slowly
Frat girls still tryna get even
Haters mad for whatever reason
Smoke in the air, binge drinkin
They lose it when the dj drops the needle
