Capo: 1

Chords Used:

Fmaj7 C Am7 Gadd11

[Verse]

C
Let's be honest
We don't got a lot in common when it comes down to it

Am7
You can take his breath away
And light up every room when you walk through it

Fmaj7
But I don't want your six-foot legs and angel face and sophistication
Gadd11

Don't really want to cause a scene but girl you've got everything

[Chorus]

Fmaj7
And I want your boyfriend

C
I'm not gonna lie

Am7 **Gadd11**
I'll be his girl when he tells you goodbye

Fmaj7 **C** **Gadd11**
Don't worry I won't take him cause I ain't that low

Fmaj7
I want your boyfriend

Just thought you should know

[Verse]

C
That he and I go back so far
Oh my gosh we lived in his first truck

Am7
First time we heard Shania Twain
Think we were on our way to Lubbock

Fmaj7
And I know you think he loves you now
Seen so many girls come in and out

Gadd11
It sounds a bit insensitive but the truth is what it is

[Chorus]

Fmaj7

And I want your boyfriend

C

Iâ€™m not gonna lie
