

As You Are
RagnBone Man

Ab **Eb9** **Fm**
You raised the lights when it was frightening
Db9 **Cm** **Bbm**
You calmed the storm when it was rising
Ab **Eb9** **Fm**
You found me there where I was hiding
Ab **Bbm** **Ab**
All I have is here and now
Eb9 **Bbm**
If the ground beneath our feet has disappeared
Db9 **Eb9**
I ll be here beside you, always be right near you
Remember me, won t you?
Ab **Eb9** **Fm**
I know we ve all got our problems
Db9 **Cm** **Bbm**
And it s a blessing that we made it here so far
Ab **Eb9** **Fm**
If you lay here in these arms tonight I promise
Ab **Bbm** **Ab**
I promise to take you, take you as you are
Ab **Eb9** **Fm**
When I was reaching out in the dark
Db9 **Cm** **Bbm**
When the streets below just looked so far
Ab **Eb9** **Fm**
When I forgot everything that I was
Ab **Bbm** **Ab**
All I needed was your love
Eb9 **Bbm**
If the earth beneath our feet is old and caves in
Db9
For a second we will fight
Eb9
When it s late in the evening, don t let me go, dear
Ab **Eb9** **Fm**
I know we ve all got our problems
Db9 **Cm** **Bbm**
And it s a blessing that we made it here so far
Ab **Eb9** **Fm**
And if you lay here in these arms tonight I promise
Ab **Bbm** **Ab**
I promise to take you, take you as you are
