

Grace

RagnBone Man

Gm F Gm Dm Bb F
Said I loved you without he - si - ta - tion

Gm F Gm Dm Bb F
So easy for you to break my foolish heart

Gm F Gm Dm Bb F
Now I wonder if you ever speak my name

Gm F Gm Dm Bb F
Will I always be defined by my mistakes?

Dm Bb F
In the eyes of a saint I m a stranger

Dm Bb F
We re all trying to find a way

Dm Bb F
At the death of every darkness there s a morning

Gm F
Though we all try

Gm F
We all try

Gm Dm Bb F
We re all one step from grace

Gm F
I made myself believe

Gm Dm Bb F
There was no fight left in me

Gm F Gm Dm Bb F
But redemption doesn t fall down at your feet

Gm F
In the half light

Gm Dm Bb F
We raised a hand to my defeat

Gm F
And I watched the world fall

Gm Dm Bb F
And I rebuilt it piece by piece

Dm Bb F
In the eyes of a saint I m a stranger

Dm Bb F
We re all trying to find a way

Dm Bb F
At the death of every darkness there s a morning

Gm F
Though we all try

Gm F
We all try

Gm Dm Bb F

We re all one step from grace

Am Bb F

I wonder why we give up on love

Am Bb F

When it s always within reach

Am Bb F

You and I, we suffered this enough

Gm F

We all try

Gm F

We all try

Gm Dm Bb F

We re all one step from grace

Dm Bb F

In the eyes of a saint I m a stranger

Dm Bb F

We re all trying to find a way

Dm Bb F

At the death of every darkness there s a morning

Gm F

Though we all try

Gm F

We all try

Gm Dm Bb F

We re all one step from grace
