

Human

RagnBone Man

[Intro] F4 G# Ebm Bbm G# Bbm

Maybe I m foolish, maybe I m blind
Thinking I can see through this and see what s behind
Got no way to prove it so maybe I m blind

But I m only human after all, I m only human after all
Don t put your blame on me
Don t put your blame on me

Take a look in the mirror and what do you see
Do you see it clearer or are you deceived
in what you believe
Cause I m only human after all, you re only human after all
Don t put the blame on me
Don t put your blame on me

Woah
Some people got the real problems
Some people out of luck
Some people think I can solve them
Lord heavens above

I m only human after all, I m only human after all
Don t put the blame on me
Don t put the blame on me
