

## Knocking On Heavens Door

### Rain

[Verse]

**G**                                    **D**                                    **Am7**  
Mama take this badge for me  
**G**                    **D**                                    **C**  
I can t use it anymore  
**G**                                    **D**                                    **Am7**  
It s getting dark, too dark to see  
**G**                                    **D**                                    **C**    **D**  
I feel I m knockin on heaven s door

[Chorus]

**G**                                    **D**                                    **Am7**  
Knock, knock, knockin on heaven s door  
**G**                                    **D**                                    **C**  
Knock, knock, knockin on heaven s door  
**G**                                    **D**                                    **Am7**  
Knock, knock, knockin on heaven s door  
**G**                                    **D**                                    **C**  
Knock, knock, knockin on heaven s door

[Verse]

**G**                                    **D**                                    **Am7**  
Mama put my guns in the ground  
**G**                                    **D**                                    **C**  
I can t shoot them anymore  
**G**                                    **D**                                    **Am7**  
That long black cloud is comin down  
**G**                                    **D**                                    **C**  
I feel I m knockin on heaven s door

[Chorus]

**G**                                    **D**                                    **Am7**  
Knock, knock, knockin on heaven s door  
                                  **G**                                    **D**                                    **C**  
I feel like I m knock, knock, knockin on heaven s door  
                                  **G**                                    **D**                                    **Am7**  
I feel like I m knock, knock, knockin on heaven s door  
**G**                                    **D**                                    **C**  
Knock, knock, knockin on heaven s door  
**G**                                    **D**                                    **Am7**  
Knock, knock, knockin on heaven s door  
**G**                                    **D**                                    **C**  
Knock, knock, knockin on heaven s door  
                                  **G**                                    **D**                                    **Am7**  
I feel like I m knock, knock, knockin on heaven s door  
**G**                                    **D**                                    **C**  
Knock, knock, knockin on heaven s door
