**F F C**

Working on being forgiven

**F F C**

For all that hard living

I?ve been steamrolling

Heading for a crash

Cruise controlling

Blowing right on past

Sleepwalking

Put your hand on me

I?m working on a new plain

Working on Sunday morning

Working on being forgiven

For all that hard living

And I?m not the only one

Who been happy to receive

Do you hear them call your name

Carrying a heavy load

When the bullets that protect you

Come raining down on your own head

Your feeling like your almost blind

Carrying a heavy load  
Carrying a heavy load  
Oh, no

Don't cry mama  
Gonna be ok  
So sorry  
That it went that way  
Like a stray sheep  
And then you called on me

I'm working on a new plain  
I'm working on a Sunday morning  
Working on being forgiven  
For all that hard living  
Working on a Sunday morning  
Working on being forgiven  
For all that hard living

I'm working on a new plain

I'm working on a new plain  
Feel like I'm being forgiven  
For all that hard, hard, hard living  
Hard living
