(Intro)
All right
Rock and roll, yeah

(Riff Verso)
At the end of a dream
If you know where I mean
When the mist just starts to clear

In a similar way
At the end of today
I can feel the sound of writing on the wall

(Riff Pré Refrão)
It cries for you
It s the least that you can do
Like a spiral on the wind
I can hear it screamin in my mind

(Riff Refrão)
Long live rock and roll
Long live rock n roll
Long live rock and roll
Let it live

(Riff Verso)
In a different time
When the words didn t rhyme
You could never quite be sure

Then on with the change
It was simple but strange
And you knew the feeling seemed to say it all

(Riff Pré Refrão)
It cries for you
It s the least that you can do
Like a spiral on the wind
I can hear it screamin in my mind

(Riff Refrão)
Long live rock and roll
Long live rock n roll
Long live rock and roll

Long live rock and roll
I m losing control

(Solo)

(Riff Refrão)
Long live rock and roll
Long live rock n roll, yeah
Long live rock and roll
Look you

(Riff Verso)
If you suddenly see
What has happened to me?
You should spread the word around
And tell everyone here
That it is perfectly clear
They can sail above it all on what they ve found

(Riff Pre Refrão)
It cries for you
It s the best that you can do
Like a sound that s everywhere
I can hear it screaming through the air

(Riff Refrão)
Long live rock and roll
Long live rock n roll
Long live rock and roll
