[Verse 1]

C **Am**
Not out of the woods yet
G6
I haven t brought the goods yet
Em
Are we here to say goodbye?
C
I wish I could support you
Am
I wish I could afford to
G6 **Em**
Give me one more chance to shine
C
And if I don t live up to this
Am
I ll stay in the wilderness
G6 **Em**
Staring at a lonely sky
C
It s what I deserve
Am
What I should be reduced to
G6
And I won t even ask
Em
Why you brought me in your car boot, and

[Chorus]

C Am **G6**
I am curious as to
Em
Why you re so furious
C **Am** **G6 Em**
And I know your moods are serious

[Verse 2]

C
We could ve gone anywhere
Am

If you wanna shoot the breeze

G6

But I remember you said

Em

You re at one with the trees

C

If you re sick of my questions

Am

I won t say a word

G6

But one quick suggestion

Em

Fuck what you heard

C

Am

If this is a test, dear

I wanna pass, flying colours

G6

Em

And baby, we re the best, we re

Better than the others, so

[Chorus]

C Am

G6

I am curious as to

[Verse 3]

C

Am

What s that in your bag, dear?

G6

I hope it s just a kiss

You shouldn t be so mad, dear

Em

On a night as clear as this

C

I hope that s not a hammer

Am

I pray it s just a rose

G6

Stop thrashing at my head, love

Em

Stop pulling on my clothes

C

I m starting to feel weak, babe

Am

It s cold here on the grass

G6

I can t even speak, babe

Em

But I really need to ask

C

Was it something that I did?

Am

I need to be reminded

G6

Em

I need to be reminded

C

Am

I ve got it, I know it s too late

I wish I could explain

G6

Please don t walk away

Em

My sight s beginning to fade

C

And the lights are turning to grey

Am

G6

Em

And the night is starting to change

Sorry I missed your birthday
