

Time In A Tree
Raleigh Ritchie

[Chorus]

D#maj7

I just want time in a tree

Cm7

I need a place just for me

G#maj7

Somewhere that I can be free

A# Ddim

Keep the faith and just be

What you ll be

[Verse 1]

D#maj7

I guess rules are there to break

Cm7

But I make mistakes like they were handed on a plate

G#maj7

When I try to leave sometimes, IÃ¢â€™m standing in the way

A#

IÃ¢â€™m on the edge of crying all the time, Ã¢â€œcause I canÃ¢â€™t human

Ddim

Right

[Verse 2]

D#maj7

What a state

I get wound up, from the ground up

Cm7

And I donÃ¢â€™t know why

Turn the sound up, drown the noise out

G#maj7

Swallow (Whoa), DonÃ¢â€™t cry

Got an anxious heart, and itÃ¢â€™s stone made CanÃ¢â€™t take paper or
heartbreak

A#

Did Billy Joel have self esteem?

Ddim

Maybe Vienna wouldnÃ¢â€™t wait for me

[Chorus]

D#maj7

I just want time in a tree

Cm7

I need a place just for me

G#maj7

Somewhere that I can be free

A#

Ddim

Keep the faith and just be

What you ll be

[Verse 3]

D#maj7

Do you ever feel like, you could live a real life?

Cm7

Like everybody else in the real world, you could be a real girl?

G#maj7

You could be a wizard, or you could be in NASA, you could write fiction, you could tame raptors

A#

Most days I struggle and I get snappy

Ddim

Fuck all that, I just wanna be happy

[Verse 4]

D#maj7

Swimming against the current

Am I wrong? Can you show me a warrant

Cm7

Honestly, IÃ¢â€™m a bomb

Abhorrent IÃ¢â€™m on it, I get it, IÃ¢â€™ve got it

G#maj7

I wanna be 10 again, just me and Sonic, and nobody telling me I should be more than I am

A#

Ddim

Back when I had a plan

[Chorus]

D#maj7

I, I just want time in a tree

Cm7

I need a place just for me (for me)

G#maj7

Somewhere that I can be free (Can be free)

A#

Ddim

Keep the faith and just be (Just be)

What you ll be

[Bridge]

D#maj7

Cm7

IÃ¢ÄÂve seen things that I never should have seen

G#maj7

Said too many things I didnÃ¢ÄÂt mean

A#

Hurt myself too many times to count

Ddim

D#maj7

I need to let it out, and just release

Cm7

Been lying to myself too long

G#maj7

Been trying by myself too long

A#

I canÃ¢ÄÂt relax, IÃ¢ÄÂm too distracted

Ddim

I canÃ¢ÄÂt hack it, hmm

D#maj7

IÃ¢ÄÂm needy, greedy

Love me, feed me

Cm7

LetÃ¢ÄÂs be a family

ItÃ¢ÄÂll take a village

G#maj7

To make a man of me

A#

So why couldnÃ¢ÄÂt you love me?

Ddim

ItÃ¢ÄÂs all I need

[Chorus]

D#maj7

I just want time in a tree

Cm7

I need a place just for me

G#maj7

Somewhere that I can be free

A#

Ddim

Keep the faith and just be

What you ll be
