I ll confess your sweet talk had me weak in the knees

But my friend got the same text, cut and copied

Cause you re writing love notes to every girl on the block	
G	C
Baby, you should know us girls we talk	
G	C
Secrets out, baby please	

[Chorus]

	G	C
You re just a tease		
	G	C
You re just a tease		

[Verse 2]

G	C
You sure think that you got what the ladies want	
G	C
Always talking about your dog and your restaurant	
Em	D
Oh, you think you re pretty smooth and you re on a roll	
G	C
But this town is really small, and we all know	
G	C
Boy, come on, please

	G	C
You re just a tease		
	G	C

You re just a tease, you re just a tease

[Bridge]

Em **D**
Maybe you were shy back in high school

G **C**
Always stuck in the friendzone

Em **D** **G** **C**
But if you keep this up, you re gonna end up alone

[Verse 3]

G **C**
You spin vinyl, but that still doesn t make you cool

G **C**
You talk art, but maybe stop cause you sound like a fool

Em **D**
When you first moved to town you had us wrapped around

G **C**
Your finger like the ring you re hiding now

G **C**
We all know, baby please

[Chorus]

G **C**
You re just a tease

G **C**
You re just a tease, you re just a tease

G **C**
You re just a tease, you re just a tease

G **C**
You re just a tease
