C# **F#** **C#**

What is it about you, makes me feel this way?

C# **Bbm**

When I m leaving you, when I m coming home

F# **G#**

I m lost for words to say.

C#

And I know your faults and failures,

F# **C#**

And the troubles that you ve been through.

B **Ebm**

But it s more about what happens now

Ebm7 **G#**

And what were coming to.

C# **F#**

And the echo from the green hills

C# **F#**

Runs through her city streets,

Ebm **F#**

And the sun that shines on England

G# **C#**

Well it lifts the heart in me.

C# F# C# F# C# F# Bbm Ebm G#

England, oh England

C# F# C# F# Ebm F# G# C#

England, oh England

C# **F#** **C#**

What is it about you, that took men into war?

C# **Bbm**

Rows and rows of crosses:

F# **G#**

Who remembers why what for?

C#

The corners of these foreign fields,

F# **C#**

The dust in them concealed.

B **Ebm**

Out of sight but not out of mind,
Ebm7 **G#**
Don't you know that England feels?

C# **F#**
And the echo from the green hills
C# **F#**
Runs through her city streets,
Ebm **F#**
The rain that falls on England
G# **C#**
Well it washes care from me.

C# **F#** **C#** **F#** **C#** **F#** **Bbm** **Ebm** **G#**
England, oh England
C# **F#** **C#** **F#** **Ebm** **F#** **G#** **C#**
England, oh England

C# **F#** **C#**
Don't make this out a battle hymn or a song of victory.
C# **Bbm**
It's just a way to try to say
F# **G#**
what England means to me.

C#
And our accents and our colours change
F# **C#**
From the city to the farmland
B **Ebm**
From the moor-land to the mountain,
Ebm7 **G#**
From the river to the sea.

C# **F#**
And the echo from the green hills
C# **F#**
Runs through her city streets,
Ebm **F#**
The rain that falls on England
G# **C#**
Well it washes care from me.

C# **F#** **C#** **F#** **C#** **F#** **Bbm** **Ebm** **G#**
England, oh England
C# **F#** **C#** **F#** **Ebm** **F#** **G#** **C#**
England, oh England

C# **F#** **C#**
From the rolling road to the winding lane,
C# **Bbm**
From the field to factory,

F# **G#**
From summer s haze to winter s glaze,
C#
And all the colours in between.
F# **C#**
It s a stillness in the evening.
B **Ebm**
It s the heartbeat that I m feeling.
Ebm7 **G#**
From Cornwall to Northumberland,
F# **C#**
From the Pennines to the sea.

C# **F#**
And the echo from the green hills
 C# **F#**
Runs through her city streets,
Ebm **F#**
The rain that falls on England
G# **C#**
Well it washes care from me.

C# **F#** **C#** **F#** **C#** **F#** **Bbm** **Ebm** **G#**
England, oh England
C# **F#** **C#** **F#** **Ebm** **F#** **G#** **C#**
England, oh England
