**Bb** **Eb** **Bb**  
What is it about you, makes me feel this way?

**Bb** **Gm**  
When I m leaving you, when I m coming home  
**Eb** **F**  
I m lost for words to say.

**Bb**  
And I know your faults and failures,  
**Eb** **Bb**  
And the troubles that you ve been through.

**G#** **Cm**  
But it s more about what happens now  
**Cm7** **F**  
And what were coming to.

**Bb** **Eb**  
And the echo from the green hills  
**Bb** **Eb**  
Runs through her city streets,  
**Cm** **Eb**  
And the sun that shines on England  
**F** **Bb**  
Well it lifts the heart in me.  
**Bb Eb Bb Eb Bb Eb Gm Cm F**  
England, oh England  
**Bb Eb Bb Eb Cm Eb F Bb**  
England, oh England

**Bb** **Eb** **Bb**  
What is it about you, that took men into war?  
**Bb** **Gm**  
Rows and rows of crosses:  
**Eb** **F**  
Who remembers why what for?  
**Bb**  
The corners of these foreign fields,  
**Eb** **Bb**  
The dust in them concealed.  
**G#** **Cm**

Out of sight but not out of mind,  
**Cm7** **F**  
Don't you know that England feels?

**Bb** **Eb**  
And the echo from the green hills  
**Bb** **Eb**  
Runs through her city streets,  
**Cm** **Eb**  
The rain that falls on England  
**F** **Bb**  
Well it washes care from me.

**Bb** **Eb** **Bb** **Eb** **Bb** **Eb** **Gm** **Cm** **F**  
England, oh England  
**Bb** **Eb** **Bb** **Eb** **Cm** **Eb** **F** **Bb**  
England, oh England

**Bb** **Eb** **Bb**  
Don't make this out a battle hymn or a song of victory.  
**Bb** **Gm**  
It's just a way to try to say  
**Eb** **F**  
what England means to me.

**Bb**  
And our accents and our colours change  
**Eb** **Bb**  
From the city to the farmland  
**G#** **Cm**  
From the moor-land to the mountain,  
**Cm7** **F**  
From the river to the sea.

**Bb** **Eb**  
And the echo from the green hills  
**Bb** **Eb**  
Runs through her city streets,  
**Cm** **Eb**  
The rain that falls on England  
**F** **Bb**  
Well it washes care from me.

**Bb** **Eb** **Bb** **Eb** **Bb** **Eb** **Gm** **Cm** **F**  
England, oh England  
**Bb** **Eb** **Bb** **Eb** **Cm** **Eb** **F** **Bb**  
England, oh England

**Bb** **Eb** **Bb**  
From the rolling road to the winding lane,  
**Bb** **Gm**  
From the field to factory,

**Eb** **F**  
From summer s haze to winter s glaze,  
**Bb**  
And all the colours in between.  
**Eb** **Bb**  
It s a stillness in the evening.  
**G#** **Cm**  
It s the heartbeat that I m feeling.  
**Cm7** **F**  
From Cornwall to Northumberland,  
**Eb** **Bb**  
From the Pennines to the sea.

**Bb** **Eb**  
And the echo from the green hills  
**Bb** **Eb**  
Runs through her city streets,  
**Cm** **Eb**  
The rain that falls on England  
**F** **Bb**  
Well it washes care from me.

**Bb Eb Bb Eb Bb Eb Gm Cm F**  
England, oh England  
**Bb Eb Bb Eb Cm Eb F Bb**  
England, oh England
