It makes no sense until I m tense

Always laughing at your expense

Anxiety, anxiety, keeps me happy

Anxiety, anxiety, keeps me happy

(Nessa parte fica: **C B C B**)

Always biting on my nails

Always stiff, it never fails

Now I think I ll pick my nose

Wipe it on my sweaty clothes

Anxiety, anxiety...

Always screamin at someone

Got a temper like a gun

Hair trigger personality

Anxiety, anxiety, keeps me hap-happy
