

**Apeman Hop**  
**Ramones**

[ **A C F G** ] x2

**A**                      **C**                      **F**                      **G**

He s go so many problems you can count them one by one

He s a filthy, stupid apeman he never has any fun

He lives in the jungle in a cave by a hill

Plays an old loud drum he s primitive, barely human

**A**                      **G**                      **A**

Ooohh-ooohh apeman hop

Ooohh-ooohh apeman hop

Paint the face of a demon, glowing by the fire light

Hoppin like an elephant thunderin like me tonight

He s the world s worst recycler the iceman comes a lot

He s the devil s apprentice he s a prehistoric man

Ooohh-ooohh...

At night he s gonna sacrifice his beloved apeman girl

Tie her to the alter, pull out her heart and eat her flesh

Ooohh-ooohh...

Ooohh-ooohh...
