**G5**  
You better pull yourself back together maybe you ve got too much cash  
**F5** **C5**  
Better call, call the law when you gonna turn yourself in? Yeah  
**G5**  
You re a politician don t become one of Hitler s children

**A5** **G5** **F5**  
Bonzo goes to bitburg then goes out for a cup of tea  
As I watched it on TV somehow it really bothered me  
Drank in all the bars in town for an extended foreign policy  
**F5**  
Pick up the pieces

**C5** **G5** **F5**  
No no-no-no, my brain is hanging upside down  
No no-no-no, I need something to slow me down  
No no-no-no, my brain is hanging upside down  
**C5** **G5**  
No no-no-no, and I need something to slow me down

Shouldn t wish you happiness, wish her the very best  
Fifty thousand dollar dress shaking hands with your highness  
See through you like cellophane you watch the world complain, but you do it  
anyway who am I, am I to say

Bonzo goes to Bitburg and goes out for a cup of tea...

No no-no-no, my brain is hanging upside down...  
[ D5 A5 G5 + Riff1 ] x4

**D5**  
If there s one thing that makes me sick  
**A5** **G5**  
It s when someone tries to hide behind politics

**D5**  
I wish that time could go by fast

**A5** **G5**  
Somehow they manage to make it last

**D5** **A5** **G5**  
No no-no-no, my brain is hanging upside down  
No no-no-no, I need something to slow me down  
No no-no-no, my brain is hanging upside down  
No no-no-no, and I need something to slow me down
