                     G5
I had you in my bed last night
I did what I wanted to do, well all right
                     G5
Go home Ann, it s almost morning
Go home Ann, it s almost dawn
          C5
               G5
I never said I loved you
          C5
Never said I cared
A5
          C5
This is not forever
          C5
There s nothing in my heart

Go home Ann
G5
Ann go home
I tricked you, had my fun
You could have been anyone
Go home Ann, it s almost morning
Go home Ann, it s almost dawn
I never said I loved you
I never said I cared
This is not forever
There s nothing in my heart
