Out of the hospital
Out against my will
Life is so beautiful
I ve gone mental

Mennnnnn-tall
Mennnnnn-tall

I ve killed my family
They thought I was an oddity
Life is so beautiful
I am a vegetable

Mennnnnnn-tall...

I m going...

[**C D F G**] x2

Staring at the goldfish bowl
Poppin phenobarbitol
Life is so beautiful
I ve gone mental

Mennnnnnn-tall...

Sitting on my window sill
Life is so beautiful
I ve become irrational
I ve gone mental

Mennnnnnn-tall...

I m going...

I m going...
