I WANNA LIVE

[E G C D] x4

E G C D

I ve been thinking it over
And I know just what to do
I ve been thinking it over
And I know I just can t trust myself
I m a Gypsy prince
Covered with diamonds and jewels
But then my lover exposes me
I know I m just a damn fool

C

I give what I ve got to give

G D

I give what I need to live

I give what I ve got to give...

E G C D

I wanna live

I want to live my life

I wanna live...

As I load my pistol
Of fine German steel
I never thought I d be so down and out
Having my last meal
But I know I can do it
It just took a few years
As I execute my killer
The morning is near

I give what I ve got to give...

I give what I ve got to give...

I wanna live...

I wanna live...

E

[C G D] x2

I wanna live...

I wanna live...

I wanna live...

I wanna live...
