

Here Today, Gone Tomorrow
Ramones

D **F#**
Oh oh oh, oh oh oh I love you
D **F#**
Oh oh oh, oh oh oh I love you
E **D**
I do, I do(2x)

D **E** **F#**
But I told her why we just can t make it
D **E** **F#**
I want you still but just can t take it
D **E** **F#**
The time has come we oughta break it
E **D**
Someone had to pay the price

Oh oh oh, oh oh oh it s over
Oh oh oh, oh oh oh oh over
It s true, it s true (2x)

And I think of times we were together
As time went on it seemed forever
But times have changed now things are better
Someone had to pay the price

(solo) **D** **F#** (2x) **E** **D**

And I think of times we were together
As time went on it seemed forever
But times have changed now things are better

D **E** **F#** (2x) **E** **D**
Someone had to pay the price.
