Soaring like a superhero

Past the end of Disneyland

Through dragon mist

Above alpine peaks

To the cloudy lace

To the highest trails above

I feel so safe

I feel content

Send you all my love

[E B A G B A D A G F A G]

Southern winds, shining rays

Are all I need for flight

Flying way past hero

Paradise is just a sight

Through the distant blue

Above the highest stars

To the silent dark

Send you all my love

I feel so safe

Flying on a ray

On the highest trails above

[E B A G B A D A G F A G]

[F A G F G E G A E G A]

Sinking into...

Every wish comes true
Most desired dreams
Happy endings too
Finally you find love

I feel so safe
Flying on a ray
On the highest trails above
