

Humankind
Ramones

[C C#] x4

C G F
Humankind, it s not fair, why should we all live in fear
Humankind, it s a test, to see who s the very best
Humankind, don t know why, no one cares who lives or dies
C G F D
Humankind, don t look at me, look at yourself, what do you see

A G A F
People - always tellin lies, they can keep their alibi
People - knockin at my door, how come they want more and more
People - talkin behind your back, most of them drive a cadillac
People - starrin at your clothes - I can t take it anymore

[G F D] x3

Humankind, it s a shame, some don t even know their name
Humankind are so strange, some need to be rearranged
Humankind, don t know why, no one cares who lives or dies
Humankind, don t look at me, look at yourself, what do you see

People - always tellin lies, they...

[C C#] x4

G D A E
Tell me, tell me, who s to blame, for people acting this way
Tell me, tell me, what s so wrong, if humans just got along
Tell me, tell me, tell me please, if psychiatric help is what we need

[A G E] x3

People - always tellin lies, they can keep their alibi
People - knockin at my door, how come they want more and more

[E F] x2

People - talkin behind your back, most of them drive a cadillac
People - starrin at your clothes - I can t take it anymore

[**E F**] x2

A G A F
People, yeah hey, people
People, hey hey, people
