I ve been thinking it over			
And I know just what to do			
I ve been thinking it over			
And I know I just can t trust myself			
I m a Gypsy prince			
Covered with diamonds and jewels			
But then my lover exposes me			
I know I m just a damn fool

As I load my pistol			
Of fine German steel			
I never thought I d be so down and out			
Having my last meal			
But I know I can do it			
It just took a few years			
As I execute my killer			

The morning is near
