Easy come and easy go for me that was the fun
It was something that I didn t think was so bad
Now I m lookin  out my window but I don t know
where I am
And I ve give up trying to understand what I can t

G      A#                    D#            F
  I don t have any illusions anymore
G      A#              D#      F
  I ve done all that I can do
G      F      G        F  G  F        D#

I stood under the moonlight to ill-luminate myself
Something I fell into from being kicked around

G      A#                    D#            F
  I don t have any illusions anymore
G      A#              D#      F
  I ve done all that I can do
G      F      G        F  G  F        D#

No one seemed to notice seeing from smoke screen eyes
You can get what you want but I don t think it is true

G      A#                    D#              F
  I don t have any illusions anymore
G      A#              D#      F
  I ve done all that I can do
G      F      G        F  G  F        D#
