Evil in my head, in my head, inside this private hell
I m not feeling very well I m not feeling very well
Frustration, disgust, aggravation, disgust, mental hell
I m not feeling very well I m not feeling very well

G#   **C**
Day, day after day, it never changes, always the same way
          G#   **F**   **G**
Day after day, day after day, day after

Demons in my head, in my head, inside this private hell oh yeah, oh yeah
I m not feeling very well I m not feeling very well
Frustration, disgust, aggravation, disgust, mental hell oh yeah, oh yeah
I m not feeling very well I m not feeling very well
   Day, day after day...
