Outsider
Ramones

```
        A                       G
I am an outsider, outside of everything  (3x)
              A
Everything you know
              G
Everything you know
            A   G G A
If disturb me so

  G                     A       G
  Everybody tried to push me
  Push me around
  Everybody tried to put me
  Try to put me down

  F#        C#            B
   All messed up, hey everyone
   I ve already had all my fun
   More troubles are gonna come
   I ve already had all my fun
   F#
   Oh, yeah yeah yeah

G                     A
Everybody tried to push me
Push me around
Everybody tried to put me
Try to put me down

        A                       G
I am an outsider, outside of everything  (3x)
              A       G G A
Everything you know
```
